Bag Lunch

Camp does not provide lunch except pizza on Fridays. All lunches will be refrigerated. Please provide plenty of water (at least two bottles). Please mark all water bottles and lunch bags with campers name or initials. Be sure to include any dietary restrictions or allergies on your child's application. If your child arrives at the camp early, please provide breakfast.

Comfortable Clothing and Camp-T-shirts

Each camper will get a camp T-shirt. We are asking campers to wear T-shirt on Fridays for group pictures each week. Since campers participate in tennis and soccer activities daily, please make sure that your child is wearing sneakers in the morning. If preferred, campers may change footwear in the afternoon while we have chess activities.

Backpacks

Please send a backpack to camp with your child every day. This helps your child to keep track of his/hers belongings while at camp. Please refer to our "Daily Pack List" for full list of items.

Sunscreen

Sunscreen should be applied each morning when child arrives at the camp. Extra sunscreen should be sent with your child to camp every day.

Medical Treatment

If your child is injured while at our camp, the camp Head Counselor will take necessary steps to obtain emergency medical care. The Wizards of the Mind assumes no responsibility for any of such treatment. We will attempt to contact parents and people listed as your emergency contacts on the registration form.

Late pick-ups

Extended care is available until 6:30pm. This option is available at \$30 per week. If you have not selected extended day option at the time of the registration, the fee will be \$1 per minute of lateness. The same rate applies after 6:30pm for campers with extended day option.

Photography Waiver

By signing this form parents permit Wizards of the Mind to use pictures or their child to be used in the promotional literature and on Wizards of the Mind website.

Lost Items

Wizards of the Mind are not responsible for any personal items that have been lost or stolen.

Registration and Payment Policy

Non-refundable deposit of \$100 for each week attending is required at the time of the registration. Full payment is due on June 15th, 2009. Multiple week discounts are available at the time of the registration only (please see rate schedule). Sign-up for additional weeks after camp start date is subject to availability and a full weekly rate of \$400 applies for each additional week.

Cancellation and Missed Days

The reservation deposit is non-refundable and non-transferable. Please keep in mind that Wizards of the Mind Camp will not be able to make adjustments for any missed days and absences. Neither are we able to provide "make-up days" for missed days. Cancellations after April 30th will be refunded at 50% of the cost. There will be no refunds issued for any reason after June 15th, 2009.

Camp Guidelines and Expulsion Policy

Campers are expected to act responsibly, behave safely and respect each other and staff. Chess and other activities at the camp are on a competitive basis and campers participate in weekly tournaments with trophies and medals. Children who have difficulty with general expectations and rules may be suspended and/or expelled.
